Some of the Industrial Schools are subsidized by grants from the State Funds - such as the Melkote Industrial School, the Carpentry School at Gombidoor, the Commercial School at Bangalore etc - As the cost of the majority of Industrial Schools is debited to Local Funds Govt and is provided in a Separate Budget, it seems better to transfer the cost of the few Schools 7 or 8 in number from the State Funds to the Local Funds Govt. By this arrangement all Industrial Schools in the State will come under one Budget. It will also secure uniformity and facilitate Referencing. If required a list of all Industrial Schools at present aided from the State Funds will be called for

I agree that the cost of maintaining all our Industrial Schools, whether Govt or aided, should be debited to the Local Funds General.

I have sometimes to scrutinize the Schedules long list as well as I can; and make my remarks against each of the items included therein. The amount which in my opinion requires ~~sanction~~ sanction at present is Rs 187 X 12 = 2244 as shown at foot of the above Statement. Against this there is according to the Sgl an unutilized balance of Rs 2076 under sanctioned Grants-in-aid. The excess is only Rs 168- And this

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 8700/542

Bangalore 28th March 1905

From

H J BHABHA Esq
Inspector General of Education in Mysore

To

The Hon'ble Rattanand Nagar Esq
Secretary to the Govt of H H
the Maharaja of Mysore, General
and Revenue Department
Bangalore

SIR,

In forwarding a list of applications for new grants for the year 1905-6 I have the honour to state that I have selected only such institutions as are really in need of Government support. The institutions are all well managed and doing useful work. The instruction given in them has been awarded of by a large number of pupils & I trust the Managers work with great zeal. The total additional cost to be borne by Government amounts to Rs 426 a month or Rs 5112 a year. Since these institutions supply a real want and save the necessity of providing schools at Government cost, I request that Government may be pleased to sanction the additional expenditure required with effect from 1st July 1905.

2 In my letter No 9663/396 of 3rd May last forwarded with the Hon'ble Mr Rice's minute I proposed a grant to the extent of Rs 2398 [illegible]

Since the date of that letter, Rs 19 a month or Rs 228 a year has been sanctioned by the Sanction of Government for grants in aid of Rs 13 a month for the Industrial School at Gorebunder and Rs 16 a month for the Mahanagar College Students' Home, and Rs 7 a month is required for the mission school at Dharavi Sandra for which a separate application will be made

There is thus a balance of Rs 2076 still left unutilized the additional amount to be provided in the Budget for 1905-1906 is therefore, (Rs 5112 - Rs 2076) Rs 3036

I have the honour &c,
Sir
Your most obedient servant,

H J Bhabha
